Re: 2017 P.S.A.A. Club Membership Applications

Please be sure to take your time in going over the application before turning it in. **The deadline for club information for the 2016 PSAA Yearbook is January 31, 2017.** As soon as you get your club's shooting schedule in place please forward your completed application to me. If your application is not received by the January 31st deadline, your club information will not be included in the PSAA Yearbook.

REMEMBER... you may not schedule a club shoot on a Regional and / or a State tournament date. To help with your club schedules, the 2017 Regional and State dates are found on the website and in the newsletter. Please encourage your club members to join the PSAA and to participate in each one of our Regional and State events. When you fill out the club application, you must list a club contact that must be a **PSAA member**. This does not have to be a club secretary, it must be someone who knows archery and is a member of the PSAA and can be the contact for the office.

Thank you very much for your continued support of our organization. We trust that you will renew your club membership for 2017. We also trust that your club members will renew for 2017 and that you will encourage new archers to become part of our PSAA family. Please continue to support the sport of archery. We anticipate that 2017 will be a great year for the PSAA, but we need your help to recruit new members and new clubs. If you are aware of an archery club that is not yet affiliated with the PSAA, contact your Regional Board member(s). Give them the name of the person whom they may contact, and they will be glad to provide information about the PSAA.

If you need any assistance filling out the enclosed application or have any questions, please call. We will assist you in any way possible.

Have a wonderful and successful year. We look forward to seeing you at our State tournaments next year!
